INCREASE IN ENROLLMENT

EAR ALUMNI:

As I write this we are looking forward to the opening of the ollege year within a few days and to welcoming the new and returng students as well as faculty and other friends. We are glad to eport a substantial increase in enrollment. It will not be long until e shall be making preparation for Homecoming which is scheduled is year for Saturday, October 24. You will find plans and schedule events elsewhere in this bulletin.

In this message I desire to mention two things in particular:

The Conner Memorial Chapel—

At the meeting of the Executive Committee of the college which was held August 12, I reported the result of the campaign for the Conner Memorial Chapel as follows:

Reported in previous bulletin	**$1310.00**
Received since last report	**338.50**
On Hand at this time (Sept. 4, 1953)	**$1648.50**

This sum is made up as follows:

2 gifts of $500.00 each	**$1,000.00**
1 gift of $150.00	**150.00**
1 gift of $100.00	**100.00**
4 gifts of $ 25.00 each	**100.00**
1 gift of $ 20.00	**20.00**
1 gift of $ 15.00	**15.00**
15 gifts of $ 10.00 each	**150.00**
22 gifts of $ 5.00	**111.00**
1 gift of $ 2.50	**2.50**
1 gift of $ 1.00	**1.00**

The total number of members of classes 1913-21, including specials, that we were able to contact **315**
Total number contributing **48**

The Executive Committee felt that it would take at least two full nonths to agree on the furnishings and equipment of the chapel, emloy an architect, get competitive bids, and have the work done. Since ess than one half of the $3500 had been contributed up to that time was impossible to go ahead without the college underwriting the alance which the college felt would not be according to the wishes of he alumni who attended during Dr. Conner's administration. The Executive Committee, therefore, voted to extend the time and urge rospective contributors to make their contribution in the hope that ll can be completed in time for Commencement next June. On that asis, therefore, we are continuing to accept contributions though we egret we cannot have the chapel completed for Homecoming. We inite your comments on this decision.

Homecoming and Greater Lycoming Banquet

The banquet for many years has been in February, usually the veekend nearest Washington's birthday. In more recent years many ave expressed the opinion that in mid-winter the risk of bad weather s always a deterrent to many who would like to attend the banquet. After much consideration, therefore, by the Alumni Council, by the Activities Committtee of the college (representing faculty and studnts), and especially by those who have the handling of the details of he banquet, it was decided to try to combine the banquet and Homeoming this year.

Hence, one of the features of Homecoming will be the Greater Lycoming Banquet. Details of that event also are found elsewhere in his bulletin.

We have had a very busy summer with two sessions of summer school from June 19 to August 29, making repairs and improvements o our buildings and in addition entertaining eight different groups on our campus, the last being the World Series of Little League baseball. Next year we shall probably have all the groups which have been with us this year with the possibility of one additional group.

We are looking forward to greeting you in connection with Homecoming, October 24.

Faithfully yours,

JOHN W. LONG, President

BIRTHS • DEATHS • MARRIAGES

Engagements, marriages, births, and graduations highlighted the Summer months for many Lycoming Alumni. Here are a few we have heard of! We'd appreciate hearing what has happened to you lately.
